AMERICAN LIBRARY ASSOCIATION

Organized Oct. 6, 1876; Incorporated Dec. 10, 1879

This national body was organized in Philadelphia, October 6, 1876, as the immediate result of a three days' library conference held in connection with the Centennial exhibition.

Its purposes are the promotion of library interests, the interchange of experience and opinion, the obtaining of larger results from library labor and expenditure, and the advancement of the profession of librarianship.

In addition to advancing library interests generally, the Association aims:

1 By organization and force of number to effect needed reforms and improvements, most of which could not be brought about by individual effort.

2 By co-operation, to lessen labor and expense of library administration.

3 By discussion and comparison, to utilize the combined experiments and experience of the profession in perfecting plans and methods, and in solving difficulties.

4 By meetings and correspondence, to promote acquaintance and *esprit de corps.*

Offices of the Association

The executive and publishing offices of the Association are at 78 East Washington St., Chicago, on the fifth floor of the Chicago public library building. They are open daily from nine to five and members visiting Chicago may have mail sent here and are cordially invited to use the rooms. Any changes of address or position should be reported promptly to the executive office so that the membership list in the Handbook may be up-to-date and all publications may reach members promptly.

Membership and Dues

Any person or institution engaged in library work may become a member. The annual dues are Two dollars for individuals and Five dollars for institutions, payable in advance on January 1st. An entrance fee of One dollar must be paid by individuals upon joining or rejoining if membership has lapsed. Any individual member may become a life member exempt from dues on payment of Twenty-five dollars.

All applications for membership and remittances for dues should be made to the American Library Association, 78 East Washington St., Chicago, by money orders or drafts on New York. If local checks are sent, exchange should be added.

Benefits of Membership

Individual members receive the Bulletin of the American Library Association published bi-monthly and forming an annual volume of over 400 pages, one number of which is the official Handbook and another the Proceedings of the annual meeting; they enjoy special travel and hotel rates, all conference privileges and hospitalities, and are entitled to vote for officers of the Association. Every library worker whose name is on the membership list and who pays the annual fee, helps thereby to more effective work by the Association, which in turn will accrue to the benefit of the individual member.

Institutional (Library) members, in addition to the Bulletin, will receive the A. L. A. Booklist (10 issues a year), an annotated buying list of current books suitable for large and small libraries. Every library member may send one delegate to all meetings of the Association, who shall be entitled to all privileges of an individual member.

Libraries may ask Headquarters for information on any library subject.

CONSTITUTION OF THE AMERICAN LIBRARY ASSOCIATION

Adopted 1909

Object

Sec. 1. The object of the American Library Association shall be to promote the welfare of libraries in America.

Membership

Sec. 2. **Members.** Any person or institution engaged in library work may become a member by paying the annual dues; and

others, after election by the Executive board; but no member shall be entitled to vote at a business meeting of the Association or for the election of officers until the annual meeting of the calendar year following his accession to membership. The annual dues of the Association shall be two dollars for individuals and five dollars for libraries and other institutions, payable in advance in January, save that for the first year the dues for individuals shall be three dollars.

Sec. 3. **Honorary Members.** On nomination of the Council, honorary members may be elected by unanimous vote at any meeting of the Association.

Sec. 4. **Life Members and Fellows.** Any individual member may become a life member, exempt from dues, by paying $25. On payment of $100 any individual member may become a life fellow. An individual life member may become a life fellow on payment of $75.

Endowment Fund

Sec. 5. All receipts from life and perpetual memberships and life fellowships, and all gifts for endowment purposes, shall constitute an endowment fund, which shall be invested and the principal kept forever inviolate. The interest shall be expended as the Executive board may direct. The endowment fund shall be in the custody of three trustees, one of whom shall be elected by ballot at each annual meeting, to hold office for three years from the date of his election and until his successor shall be elected. No money from the endowment fund shall be invested or expended except on check signed by a majority of the trustees.

Management

Sec. 6. The business of the Association, except as hereinafter specifically assigned to other bodies, shall be entrusted to the Executive board. But the Association may, by a three-fourths vote of those present and voting, take direct action, or revise the action of the Executive board or Council, or give them mandatory instructions.

Officers and Committees

Sec. 7. The officers of the Association shall be a president, first and second vice-presidents, a secretary, and a treasurer. The president and vice-presidents shall be elected at each annual meeting of the Association. The secretary and treasurer shall be chosen by the Executive board, shall hold office at its pleasure, and receive such salaries as it shall fix.

Sec. 8. **President and Vice-Presidents.** The president shall be the representative head of the Association. In case of his death, resignation, or inability to serve, the ranking vice-president shall become president.

Sec. 9. **Secretary.** The secretary, subject to the general authority of the president and of the Executive board, shall be the active executive officer of the Association. He shall keep a record of the attendance and proceedings at each meeting of the Association, Council or Executive board, and serve as agent for the treasurer in collecting membership dues.

Sec. 10. **Treasurer.** The treasurer shall record all receipts and disbursements, pay bills, on approval of the chairman of the finance committee or of a member designated by that committee, and make an annual report to the Association covering the calendar year.

Sec. 11. **Executive Board.** The president and vice-presidents, together with six other members elected as hereinafter specified, shall constitute the Executive board. At the annual meeting of 1909 there shall be elected by ballot six persons to serve as the above mentioned elective members of the Executive board. Immediately after their election they shall by lot divide themselves into three equal classes, of which the term of the first shall expire in 1910, of the second in 1911, and of the third in 1912. In 1910 and at each annual meeting of the Association thereafter, there shall be elected by ballot for a three years' term, two members of the Executive board to take the place of those whose term will thus expire. The Executive board shall ad-

minister the business affairs of the Association except those specifically assigned to other bodies, or dealt with by direct vote of the Association as hereinbefore provided. It shall appoint the non-elective and assistant officers, and all standing committees; and fix the salaries of all paid officers of the Association. It shall have authority to arrange the program for the annual meeting and to decide upon the presentation and printing of papers and reports. It shall have authority to include in the publications of the Association so much of the program, notices, circulars and proceedings of affiliated associations as it may deem advisable.

Sec. 12. **Finance Committee.** There shall be a finance committee of three, the chairman of which shall be chosen from the Executive board. The finance committee shall prepare annual and supplementary budgets, within which appropriations shall be made by the Executive board, and no expense shall be incurred in behalf of the Association by any officer or committee in excess of the authorized appropriation. The finance committee shall audit the accounts of the secretary, treasurer and trustees of the endowment fund and report to the Association at the annual meeting.

Sec. 13. **Votes by Correspondence.** Approval in writing by a majority of a board or committee voting shall have the force of a vote, provided no member expresses disapproval.

Council

Sec. 14. **Membership.** The Council shall consist of the Executive board, all ex-presidents of the Association who continue as members thereof, all presidents of affiliated societies who are members of the Association, twenty-five members elected by the Association at large, and twenty-five elected by the Council itself. The elected members shall be chosen five each year by the Association and Council respectively, to hold office for five years, except that at the annual meeting of 1909 the existing Council shall elect twenty-five and shall divide them by lot into five classes to hold office one, two, three, four, and five years respectively.

Sec. 15. **Meetings.** The Council shall hold at least two meetings a year, one of which shall be at the time and place of the annual meeting of the Association. Other meetings shall be called upon request of twenty members.

Sec. 16. **Duties.** The Council may consider and discuss library questions of public and professional interest, and by a two-thirds vote adopt resolutions on these or any other matters of library policy or practice, and no resolutions, except votes of thanks and on local arrangements shall be otherwise adopted. In particular it shall consider and report upon questions which involve the policy of the Association as such; and no such questions shall be voted upon by the Association, except upon a three-fourths vote of the Association deciding for immediate action, without a previous reference to the Council for consideration and recommendation. It may by two-thirds vote affiliate with the American Library Association, upon suitable conditions, other organizations kindred in purpose and by the same vote establish sections of the Association. It may nominate honorary members.

Sec. 17. All officers, members of the Council and members of the Executive board elected by the Association shall serve until the adjournment of the meeting at which their successors are chosen.

Publishing Board

Sec. 18. The publishing board shall consist of five members appointed by the Executive board for terms of not more than three years, one of whom shall be chosen from the Executive board. Its object shall be to secure the preparation and publication of such catalogs, indexes and other bibliographic and library aids as it may approve.

Sec. 19. The publishing board shall annually appoint its chairman and secretary.

Sec. 20. No work involving the expenditure of money shall be undertaken except by a vote of a majority of the whole board, and the Association shall not be liable for any debts incurred by the publishing board. The treasurer of the Association shall serve as treasurer of the publishing board, but shall keep separate accounts. With the approval of the finance committee, money may be apportioned by the Executive board from the treasury of the Association for the running expenses of the publishing board.

Sec. 21. The publishing board shall report in print at each annual meeting of the Association.

Sec. 26. **By-Laws.** By-laws may be adopted by vote of the Association upon recommendation of the Executive board or after reference to and report from the Executive board. Any by-law may be suspended by a three-fourths vote of those present and voting at any meeting of the Association.

By-Laws

Sec. 1. Any person renewing membership shall pay all arrears of dues or dues required of new members. Members whose dues are unpaid at the close of the annual conference and who shall continue such delinquency for one month after notice of the same has been sent by the treasurer, shall be dropped from membership.

Each new member shall be assigned a consecutive number in the order of first joining and paying dues. A delinquent member rejoining shall receive his original number. It shall be the duty of members to inform the secretary promptly of any change of address.

The fiscal year of the Association shall be the calendar year.

Sec. 2. At least one month prior to the annual meeting of the Association the Executive board shall appoint a committee of five, no one of whom shall be a member of the Board, to nominate the elective officers and other members of the Executive board, trustees of the Endowment fund and such members of the Council as are to be chosen by the Association under the provisions of Sec. 14 of the constitution.

This committee shall report to the Executive board which shall after adoption of the report post its nominations forty-eight hours before the election and shall place such nominations before the Association on a printed ballot which shall be known as the "Official Ballot." The Board shall also include on such ballot other nominations filed with the secretary by any five members of the Association at least twenty-four hours before the election, provided that with the petition containing such nominations or noted upon it, shall be filed the consent of the person or persons so nominated.

In general nominations to the Council shall be made with a view of having it representative of all sections of the country and of the principal classes of libraries included in the Association. No person shall be nominated as president, first or second vice-president or councilor of the

Association for two consecutive terms. No more than the required number of nominations shall be made by the committee. The position and residence of each nominee shall be given on the official ballot.

Sec. 3. At the first meeting of the Council at each annual conference, there shall be designated a committee of five to nominate the new members of the Council which the Council itself is to elect for the next ensuing term. This committee shall report to the Council, and the election by the Council shall be by ballot. The prohibition in Sec. 2 of the re-election of a councilor for two consecutive terms shall not apply to the councilors elected by the Council itself.

Sec. 4. In case of a vacancy in any office, except that of president, the Executive board may designate some person to discharge the duties of the same *pro tempore*.

Sec. 5. The president and secretary, with one other member appointed by the Executive board, shall constitute a program committee, which shall, under the supervision of the Executive board, arrange the program for each annual meeting, and designate persons to prepare papers, open discussions, etc., and shall decide whether any paper which may be offered shall be accepted or rejected, and if accepted, whether it shall be read entire, by abstract or by title. It shall recommend to the Executive board printing accepted papers entire or to such extent as may be considered desirable. Abstracts of papers to be presented at annual conferences shall be in the hands of the program committee at least two weeks before the conference.

Sec. 6. The Executive board shall appoint a committee of eight on library training, which shall from time to time investigate the whole subject of library schools and courses of study, and report the results of the investigations, with its recommendations. The membership of this committee shall be as follows: one member of a state library commission, one librarian of a free public library of at least 50,000 volumes, one librarian of a college or reference library, one library trustee, four library school graduates, including one from the faculty of a library school; one school graduate and one other member to retire each year.

Sec. 7. The Executive board shall appoint annually a committee of three on library administration to consider and report improvements in any department of library economy, and make recommendations looking to harmony, uniformity and co-operation, with a view to economical administration.

Sec. 8. The Executive board shall at each annual meeting of the Association appoint a committee of three on resolutions, which shall prepare and report to the Association suitable resolutions of acknowledgment and thanks. To this committee shall be referred all such resolutions offered in meetings of the Association.

Sec. 8a. Petitions for the establishment of sections shall be presented only by members actively engaged in the work of the proposed section and by not less than twenty such members. Before such a petition be granted by Council, it shall be referred to a special committee to be appointed by the president, which committee after investigating the grounds for the petition and the conditions regarding it, shall report to the Council as to the desirability of such section. Council shall have power to discontinue a section when, in the opinion of Council, the usefulness of that section has ceased.

Sec. 9. The objects of sections which may be established by the Council under the provisions of Sec. 17 of the constitution, shall be discussion, comparison of views, etc., upon subjects of interest to the members. No authority is granted any section to incur expense on account of the Association or to commit the Association by any declaration of policy. A member of the Association eligible under the rules of the section may become a member thereof by registering his or her name with the secretary of the section.

Sec. 10. Provision shall be made by the Executive board for sessions of the various sections at annual meetings of the Association, and the programs for the same shall be prepared by the officers of sections in consultation with the program committee. Sessions of sections shall be open to any member of the Association, but no person may vote in any section unless registered as a member of the same. The registered members of each section shall, at the final session of each annual meeting, choose a chairman and secretary, to serve until the close of the next annual meeting.

It amounts now to $7,111.84. To this sum was added in 1902 the Carnegie Fund of $100,000 given by Andrew Carnegie as a special fund, the income of which shall be applied to the preparation and publication of such reading lists, indexes and other bibliographic and literary aids as would be specially useful in the circulating libraries of this country. By vote of the Council, the Carnegie fund has been placed in charge of the trustees of the Endowment fund. Full information as to the investment and condition of these funds will be found on pages 47-49 of the "Bulletin" for May, 1909.

In 1902 Mr. Andrew Carnegie gave a fund of $100,000, the income from which is to be applied to the preparation and publication of desirable library aids.

SECTIONS OF THE ASSOCIATION

By means of a system of sections the practical usefulness of the A. L. A. meetings has been considerably enlarged. The section meetings, while open to all, provide especially for the needs of each class of workers, and afford more opportunity for the discussion of details. The regular, or undivided, sessions are thus left free for subjects of general interest and the consideration of routine matter concerning the entire association.

Six of these sections maintain a formal organization from year to year, and take under consideration questions relating more particularly to their own province. They are as follows:

COLLEGE AND REFERENCE SECTION

which dates from a first meeting of the college librarians held in 1889. Since then, meetings have been held regularly.

The officers for 1911-12 are: Chairman, A. S. Root, Oberlin College library, Oberlin, O.; secretary, Irene Warren, School of Education library, University of Chicago, Chicago.

TRUSTEES SECTION

has had a permanent organization since the meeting of 1890.

More boards of trustees are each year recognizing the practical value of having their librarians attend the meetings, allowing them not only the time, but also necessary expenses in many cases. Equally significant is the increasing number of trustees who find that it pays to attend the A. L. A. meeting each year. By comparing views, and advising with each other on their peculiar duties, mutual aid is rendered toward the efficient discharge of the public trust committed to them. Some of the meetings of trustees are held jointly with the librarians interested in supervisory problems; others with trustees only present, thus favoring the joint and separate discussion of salaries, laws, vacations, rules for the staff, and other questions in which librarians have a personal interest that modifies their judgment.

Officers for 1911-12 are: Chairman, W. T. Porter, Cincinnati; secretary, T. L. Montgomery, State library, Harrisburg, Pa.

CATALOG SECTION

was established by action of the Council in 1900 and has met at each conference since the Waukesha meeting in 1901 excepting at St. Louis in 1904 when no section meetings were held.

At the Mackinac Island conference the Catalog section completed its organization by the adoption of a constitution and by-laws. Officers for 1911-12 are: Chairman, Laura A. Thompson, Library of Congress, Washington; Secretary, Mary Elizabeth Hawley, The John Crerar library, Chicago.

LIBRARY WORK WITH CHILDREN

At the Montreal conference in 1900 an informal meeting was held for the purpose of personal acquaintance and co-operation among those actively engaged in library work with children. As a result of this meeting the Club of children's librarians was formed, and, in recognition of this movement for closer organization and wider discussion in this field than was afforded at the general sessions of the A. L. A. the executive board, in November, 1900, established this section, which held its first meeting at Waukesha in 1901.

Officers for 1911-12 are: Chairman, Mary De Bure McCurdy, Carnegie library, Pittsburgh; Secretary, Adeline B. Zachert, Free Public library, Louisville.

PROFESSIONAL TRAINING

This section was established by vote of the Council of A. L. A. on June 26, 1909, upon petition signed by the members of the Committee on library training. Its first meeting was held at the Bretton Woods conference and its second meeting took place at the Mackinac Island conference when constitution and by-laws were adopted.

Officers for 1911-12 are: Chairman, Matthew S. Dudgeon, Wisconsin free library commission, Madison; secretary, Faith E. Smith, Public library, Chicago.

AGRICULTURAL LIBRARIES SECTION

At the Mackinac Island conference a round table of librarians of agricultural libraries was held, at which it was voted to request the Council of the A. L. A. to create an agricultural libraries section. Conditions having been complied with this was done at the Pasadena conference. No meeting of the section since its creation has been held, but by vote of the Mackinac Island round table the chairman is Claribel R. Barnett, Dep't of agriculture library, Washington.

AFFILIATED ORGANIZATIONS

Acting under section 16 of the constitution and upon applications formally made by the proper officers, the Council has regularly affiliated with the American Library Association the following national organizations of kindred purpose. These societies meet annually at the time and place of meeting of the A. L. A., their members enjoy all privileges of members of the larger body as to railroad and hotel rates and conference hospitalities, their proceedings are included in the A. L. A. conference volume and they are often formally represented by designated delegates upon the program of the Association.
